

2026-01 Recycling Ordinance for the Town of Magnolia

Purpose

The purpose of this ordinance is to promote recycling, composting, and resource recovery through the administration of an effective recycling program, as provided in s. 287.11, Wis. Stats., and ch. NR 544, Wis. Adm. Code.

Authority

This ordinance is adopted as authorized under s. 287.09(3)(b), Wis. Stats.

Abrogation and Greater Restrictions.

It is not intended by this ordinance to repeal, abrogate, annul, impair, or interfere with any existing rules, regulations, ordinances, or permits previously adopted or issued pursuant to law. However, whenever this ordinance imposes greater restrictions, the provisions of this ordinance shall apply.

References

Any reference to a Wisconsin Statute or Administrative Code Regulation is a reference to that specific chapter, section, code, or its successor chapter, section, or code. Any future amendments, revisions, or modifications of the statutes or administrative code incorporated herein are intended to be made part of this ordinance to secure uniform regulation.

Interpretation

In their interpretation and application, the provisions of this ordinance shall be held to be the minimum requirements and shall not be deemed a limitation or repeal of any other power granted by the Wisconsin Statutes. Where any terms or requirements of this ordinance may be inconsistent or conflicting, the more restrictive requirements or interpretation shall apply. Where a provision of this ordinance is required by Wisconsin Statutes, or by a standard in ch. NR 544, Wis. Adm. Code, and where the ordinance provision is unclear, the provision shall be interpreted in light of the Wisconsin Statutes and the ch. NR 544 standards in effect on the date of the adoption of this ordinance, or in effect on the date of the most recent text amendment to this ordinance.

Severability

Should any portion of this ordinance be declared unconstitutional or invalid by a court of competent jurisdiction, the remainder of this ordinance shall not be affected.

Applicability

The requirements of this ordinance apply to all persons within the Town of Magnolia, Rock County, Wisconsin.

2026-01 Recycling Ordinance for the Town of Magnolia

Separation of Recyclable Materials

Occupants of single family and 2-to-4-unit residences, multiple-family dwellings and non-residential facilities and properties shall separate the following materials from postconsumer waste:

- 1) Lead acid batteries
- 2) Major appliances
- 3) Waste oil and oil filters
- 4) Waste tires
- 5) Yard waste
- 6) Foam polystyrene packaging *(see exemption (3) below)
- 7) Aluminum containers
- 8) Bi-metal containers
- 9) Corrugated paper or other container board
- 10) Glass containers
- 11) Magazines
- 12) Newspaper
- 13) Office paper
- 14) Rigid plastic containers made of PETE, HDPE, PVC, LDPE, PP, PS, and other resins or multiple resins
- 15) Steel containers

Separation Requirements Exempted

The separation requirements do not apply to the following:

- 1) Occupants of single family and 2-to-4-unit residences, multiple-family dwellings and non-residential facilities and properties that send their postconsumer waste to a processing facility licensed by the Wisconsin Department of Natural Resources that recovers the materials specified from solid waste in as pure a form as is technically feasible.
- 2) Solid waste which is burned as a supplement fuel at a facility if less than 30 % of the heat input to the facility is derived from the solid waste burned as supplement fuel.
- 3) Wisconsin's recycling law also bans the following materials from disposal, but the DNR allows them to be landfilled or incinerated because there are not yet adequate recycling markets:
Foam polystyrene packaging (for serving food or beverages), loose particles intended for packing (e.g. packing peanuts), or rigid foam shaped to hold and cushion a packaged item.

Care of Separated Recyclable Materials

To the greatest extent practicable, the separated recyclable materials shall be clean and kept free of contaminants such as food or product residue, oil or grease, or other non-recyclable materials, including but not limited to household hazardous waste, medical waste, and agricultural chemical containers. Recyclable materials shall be stored in a manner which protects them from wind, rain, and other inclement weather conditions.

2026-01 Recycling Ordinance for the Town of Magnolia

Management of Lead Acid Batteries, Major Appliances, Waste Oil and Oil Filters, Waste Tires, and Yard Waste

The Town of Magnolia does not provide collection of lead acid batteries, major appliances, waste oil and oil filters, waste tires, or yard waste.

Occupants of single family and 2-to-4-unit residences, multiple-family dwellings and non-residential facilities and properties shall manage lead acid batteries, major appliances, waste oil and oil filters, waste tires, and yard waste as follows:

Lead acid batteries shall be recycled through a retailer or recycling facility such as Stateline Recycling.

Major appliances shall be recycled through a retailer or recycling facility such as Stateline Recycling.

Waste oil and oil filters shall be recycled through a retailer or other waste oil collection facility.

Waste tires shall be recycled through a retailer such as Pomp's Tire Service.

Yard waste shall be composted.

Preparation and Collection of Recyclable Materials

The Town of Magnolia provides recycling dumpsters at the Magnolia Town Hall, 14729 W. County Road A, Evansville, WI 53536. These dumpsters are available 24 hours per day/7 days per week for the collection of the materials listed below.

Occupants of single family and 2-to-4-unit residences shall do the following for the preparation and collection of the following separated materials:

Containers shall be rinsed and include: Aluminum containers, Bi-metal containers, Glass containers, Steel containers, and Rigid plastic containers made of PETE, HDPE, PVC, LDPE, PP, PS, and other resins or multiple resins.

Corrugated paper, cardboard, or other container board shall be broken down or flattened.

Magazines, newspaper, and office paper shall be placed in the dumpsters.

Foam polystyrene packaging shall **not** be recycled in these dumpsters. The DNR allows styrofoam to be landfilled or incinerated because there are not yet adequate recycling markets.

2026-01 Recycling Ordinance for the Town of Magnolia

Responsibilities of Owners or Designated Agents of Multiple-Family Dwellings

- 1) Owners or designated agents of multiple-family dwellings shall do all of the following to recycle aluminum containers, bi-metal containers, glass containers, steel containers, rigid plastic containers, cardboard, magazines, newspaper and office paper:
 - a) Provide adequate, separate containers for the recycling program established in compliance with the ordinance. The number of recycling containers shall equal or be greater than the number of trash containers and at least one of the following shall be met:
 - i. The minimum total volume of recycling container space is equal to 20 gallons per week per dwelling unit.
 - ii. The ratio of trash container volume to recycling container volume is at most 2:1.
 - iii. An alternative method that does not result in the overflow of a recycling container during the time period between collection of materials and delivery to a recycling facility.
 - b) Notify tenants in writing at the time of renting or leasing the dwelling and at least semi-annually thereafter about the established recycling program.
 - c) Provide for the collection of the materials separated from the solid waste by the tenants and the delivery of the materials to a recycling facility.
 - d) Notify tenants which materials are collected, how to prepare the materials in order to meet the processing requirements, collection methods or sites, and locations of drop-off collection sites to recycle materials not collected on-site.
- 2) The requirements specified in 1) do not apply to the owners or designated agents of multiple-family dwellings if the postconsumer waste generated within the dwelling is treated at a processing facility licensed by the Department of Natural Resources that recovers for recycling the materials specified in 1) from solid waste in as pure a form as is technically feasible.

Responsibilities of Owners or Designated Agents of Non-Residential Facilities and Properties

- 1) Owners or designated agents of non-residential facilities and properties shall do all of the following to recycle aluminum containers, bi-metal containers, glass containers, steel containers, rigid plastic containers, cardboard, magazines, newspaper and office paper:
 - (a) Provide adequate, separate containers for the recycling program established under this section. The total volume of recycling containers shall be sufficient to avoid overflow during the time period between collection of materials and delivery to a recycling facility.
 - (b) Notify in writing, at least semi-annually, all users, tenants and occupants of the properties about the established recycling program.
 - (c) Provide for the collection of the materials separated from the solid waste by the users, tenants and occupants and the delivery of the materials to a recycling facility.
 - (d) Notify users, tenants and occupants which materials are collected, how to prepare materials in order to meet the processing requirements, collection methods or sites, and locations of drop-off collection sites to recycle materials not collected on-site.

2026-01 Recycling Ordinance for the Town of Magnolia

- 2) The requirements specified in 1) do not apply to the owners or designated agents of non-residential facilities and properties if the postconsumer waste generated within the facility or property is treated at a processing facility licensed by the Department of Natural Resources that recovers for recycling the materials specified in 1) from solid waste in as pure a form as is technically feasible.

Prohibitions on Disposal of Recyclable Materials Separated for Recycling

No person may dispose of in a solid waste disposal facility or burn in a solid waste treatment facility any of the materials specified that have been separated for recycling, except waste tires may be burned with energy recovery in a solid waste treatment facility.

Enforcement

- 1) For the purpose of ascertaining compliance with the provisions of this ordinance, any authorized officer, employee or representative of the Town of Magnolia may inspect recyclable materials separated for recycling, postconsumer waste intended for disposal, recycling collection sites and facilities, collection vehicles, collection areas of multiple-family dwellings and non-residential facilities and properties, and any records relating to recycling activities, which shall be kept confidential when necessary to protect proprietary information. No person may refuse access to any authorized officer, employee or authorized representative of the Town of Magnolia who requests access for purposes of inspection, and who presents appropriate credentials. No person may obstruct, hamper, or interfere with such an inspection.
- 2) Any person who violates a provision of this ordinance may be issued a citation by the Town of Magnolia to collect forfeitures. The issuance of a citation shall not preclude proceeding under any other ordinance or law relating to the same or any other matter. Proceeding under any other ordinance or law relating to the same or any other matter shall not preclude the issuance of a citation under this paragraph.
- 3) Penalties for violating this ordinance may be assessed as follows:
 - (a) Any person who violates **Prohibitions on Disposal of Recyclable Materials Separated for Recycling** may be required to forfeit \$50 for a first violation, \$200 for a second violation, and not more than \$2000 for a third or subsequent violation.
 - (b) Any person who violates a provision of this ordinance, except **Prohibitions on Disposal of Recyclable Materials Separated for Recycling**, may be required to forfeit not less than \$10 or more than \$1000 for each violation.
